I hereby direct you, as my medical provider, not to bill or utilize my personal health insurance for any of the treatment rendered by you and your office for injuries sustained in the incident for which I am now seeking treatment.

My health insurance rights may be adversely affected, such as limiting my total number of office visits to a yearly maximum and if I use them for the injuries from this incident, I will lose that insurance entitlement for future office visits. Or, I do not wish to be responsible for any co-pays, deductibles or non-covered services for these same reasons. I desire, and choose, to preserve my health insurance visits and co-pays or deductibles for any similar future medical care where I can then choose to use my healthcare coverage.

Consequently, while you are allowed to bill my auto med-pay policy if med-pay is available, you are instructed not to bill my healthcare insurance. This directive is effective immediately and covers me from the date of my first visit with your office related to this incident, and continues until the conclusion of my treatment for these injuries. I make this directive voluntarily, of my own preference and without any coercion or duress of any kind by you or your staff members.

I understand that by choosing this option, I agree that I shall not rescind this directive once given unless that rescission is given in writing by me within fourteen (14) calendar days of signing this directive. Otherwise, you, as my medical provider, would likely be past the time deadline for the submission of my bills for payment to my health insurer, or I would be creating other problems for the payment of your services under my healthcare plan. I will be solely responsible to notify any attorney I now or later retain of this directive. In the event of any litigation arising under this directive, the prevailing party shall be entitled to recover their reasonable attorney's fees and costs. Venue for any litigation arising out of this incident shall be where the medical services were provided.

FINANCIAL AND INSURANCE ASSIGNMENT POLICY

Our office is pleased to accept your insurance assignment, as soon as your exact coverage is verified by the responsible party. We will file your claim forms and assist you in every way we can.

However, it must be fully understood that the contract is between you and your insurance company and you are fully responsible for any amount not paid by your insurance.

1. By taking your insurance on assignment we have to wait for payment, this courtesy may be withdrawn if circumstances warrant it.
2. Network vs. Out of Network: If your carrier has a “network” of providers, it is your responsibility to make sure we are in network. We can provide “out of network” care but your portion maybe higher. It is your responsibility to make sure your insurance carrier and billing information is accurate.
3. Your insurance should pay within 30 days. If you’re insurance has not paid within 60 days you must pay the balance due and be reimbursed by your insurance company, when and if it pays. There will be an interest charge of 7% per annum (year) charged on all unpaid balances over 60 days.
4. We will bill your insurance on a weekly basis as long as you are receiving Chiropractic care in this office. Cash patients will pay on the date of service per our time of service fee schedule.
5. If you choose you may pay a percentage of your responsibility as you go along until the insurance check is received. We will verify your co-insurance portion prior to treatment. This office accepts cash, check or bankcard as payment.
6. Or we will bill your insurance company weekly and when we receive an insurance check, we will bill you for any balance and or interest due at the time.
7. You are required to sign an “Assignment to Pay Physician” form and any other assignment documents required by your insurance company on your first office visit.
8. Our office does NOT guarantee that your insurance will pay. We will make every attempt, at the beginning of your health care, to receive verification of your policy and what it covers. However, if for some reason your insurance claim is denied you are responsible for the full amount of your bill.
9. Our office will NOT enter into a dispute with your insurance company over your claim. This is your responsibility and obligation.
10. All special arrangements regarding finances must be signed by the Doctor and Patient and/or other representative.
11. Auto injury policy – For auto policies we bill the primary medical payment/PIP. If your care exceeds your coverage limit, we may be able to bill your health insurance or put you on our time of service plan. If you are represented by an attorney, you must sign a doctor’s lien that will be forwarded to your lawyer. Please be advised that you are responsible for your bill regardless of the circumstances. Third party insurance will not reimburse our office directly, therefor third party insurance will NOT be billed.
12. Returned checks – You will be charged \$25.00 for a returned check.
13. Medical records – You may request a copy of your medical records. We charge \$0.60 per page when you pick them up.

If you understand and agree with all of the above policies, please sign your name below and we will accept your insurance assignment. I hereby authorize my insurance benefits to be paid directly to said doctor. I am responsible for balance due and authorize doctor or insurance co. to release my personal information to pay this claim.

I, the undersigned Patient (or legal guardian of a minor), (also referred to below as "Patient") of Anthem Chiropractic ("Medical Facility"), forever and irrevocably assign any and all proceeds that Patient receives from the Insurance Company(ies) above-stated, to be paid directly to Medical Facility's attorney, CRAIG K. PERRY & ASSOCIATES, for services rendered to Patient in connection with the Date of Incident indicated below. I authorize and direct Insurance Company(ies) to withhold from any settlement, judgment or verdict the full amount of the unpaid medical services rendered to Patient by Medical Facility. I understand and agree that said law firm is authorized to contact me on behalf of Medical Facility to obtain information concerning the facts and status of Patient's case (e.g., completion of care, settlement status, insurance company information, etc.).

I authorize and direct Medical Facility to furnish the Insurance Company(ies) with all reports, findings, interpretations, impressions, treatments, diagnoses, or diagnostic studies that Medical Facility may perform on Patient in connection with any injury in which Patient was involved on or about the Date of Incident.

I fully understand that I am directly and fully responsible to Medical Facility for all medical bills associated with the services rendered to me, whether or not there is any financial recovery from the Insurance Company(ies) or other source. I also understand and agree that this Assignment tolls any statute of limitations that commences the time to take action to collect amounts I owe Medical Facility for any unpaid services rendered, and that my obligations to pay these bills are not contingent on obtaining a recovery of proceeds in Patient's case.

If Patient does not have an attorney and later decides to retain one then I agree to promptly (1) furnish Medical Facility with contact information concerning that attorney and (2) notify that attorney concerning existence of this Irrevocable Assignment of Proceeds. In the event that Patient is paid by way of settlement, judgment or verdict, I agree not to accept any money from either the Insurance Company(ies) or Patient's attorney from any of the proceeds that I have assigned to and is intended for this Medical Facility. Medical Facility shall be paid in full out of the first proceeds received paid by Insurance Company(ies) or the attorney.

DATE Authorized Representative of Anthem Chiropractic

MEDICAL LIEN

I, the undersigned patient (or legal guardian of a minor), grant to Anthem Chiropractic (hereafter “medical facility”) a lien upon the recovery of any and all proceeds from any source obtained through settlement, judgment, for any medical services rendered to me or the minor, for treatment of injuries sustained or the exacerbation of any medical condition(s) (hereafter “treatment”) that I or the minor have indicated, believe or did in fact arise out of an incident that occurred on or about the date set forth below (hereafter “incident”). I further authorize the medical facility to furnish my attorney with a full report of the examinations, diagnoses, treatments, prognoses, as well as billings for treatment from this incident. I hereby notify and authorize you, my attorney, to pay directly to the medical facility the unpaid amount due for services rendered.

I understand that apart from this lien, I am directly and fully responsible to the medical facility for all medical bills submitted by it for services rendered, even for bills incurred for the minor (as indicated below) who may reach the age of majority, for which I may be required to make a lump sum or periodic payments, at the election of the medical facility. This lien is made solely for said medical facility’s additional protection, and in consideration of its awaiting payment. Except as otherwise provided below, I intend for this lien to continue until all charges have been satisfied. I agree that the statute of limitations of my obligation to pay is tolled and does not begin to run while the medical facility is awaiting payment by way of this lien. I further understand that the payment of services is not contingent upon any settlement, judgment, or verdict that the minor or I may eventually recover.

Except as provided below, I agree never to rescind this lien, and I do not grant any attorney that may represent the minor or me the right to rescind it. However, if my first attorney does not promptly sign, acknowledge and return this lien to the medical facility within 10 (ten) days of receipt of this lien, or if the first attorney for any reason (e.g., withdraws, resigns, is released by me, or substituted by another attorney) no longer represents me or the minor child for injuries arising from this incident, then the Irrevocable Assignment of Proceeds that I have signed with this medical facility supersedes this lien and takes immediate effect. Alternatively, if an attorney modifies this lien in any way, then the Assignment of Proceeds supersedes this lien and takes immediate effect when the modification occurs. I agree to promptly notify medical facility of any change of my address or change or addition of attorney(s).

To my attorney: Please acknowledge this medical lien by signing below and returning it to the medical facility’s office.

I, the undersigned attorney, state that I am the attorney of record for this patient; I acknowledge that I am in receipt of this lien; and I agree to observe its terms by withholding the sums from any settlement, judgment or verdict that are owed to the medical facility, for their compensation or benefit. I also agree to promptly (1) notify the medical facility if I discontinue representation of this patient/client, and to (2) provide any subsequent attorney of the patient for this incident a copy of this lien, along with all of the medical facility’s records and billings in my or my law firm’s possession. In the event this lien is litigated, the prevailing party will be awarded attorney’s fees and costs.
